Town Warrant

To the inhabitants of the Town of Seabrook qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town, on Tuesday the fourteenth day of March next, ten of the clock in the forenoon to act upon the following subjects:

Article 1. To elect a town clerk, one selectman for a term of three years, town treasurer, collector of taxes, three constables, highway agent, three overseers of the poor, a chief of police and all other town officials for the year ensuing.

Article 2. To see what sums of money the town will vote to raise for the expense of the general government, for the protection of persons and property, for health, and sanitation, for highways and bridges, for the support of the town poor and all other necessary expenditures for the year ensuing.

Article 3. To see if the town will vote to authorize the selectmen to borrow money on anticipation of taxes, and to renew and refund town notes.

Article 4. To hear the report of the budget committee and act thereon.

Article 5. To see if the town will vote to raise the sum of $150.00 for the observance of Memorial Day.

Article 6. To see if the town will allow a discount on taxes.

Article 7. To see what sums of money the town will vote to raise for material and expense for projects that may be allotted to the town.

Article 8. To see what sums of money the town will vote to raise to defray the expense for collecting garbage at Seabrook Beach, the same to be left in the hands of the selectmen.

Article 9. To see if the town will vote to raise the sum of $180.30, the state to contribute $721.18 for Class V assistance.

Article 10. To see if the town will vote to raise the sum of $100.00 for the purpose of building a wharf to Farm Lane Dock.

Article 11. To see what action the town will take in regard to the protection of our clams and clam industry.

Article 12. To see what action the town will take in regard to the shipping of clams out of the town in the shell.

Article 13. To see if the town will vote to have printed an inventory and valuation list of the town.

Article 14. Upon petition of Ralph Gove and ten legal voters to see if the town will vote that: The business meeting be held from three to ten days before the annual March Election.

Article 15. Upon petition of Abram J. Miller and ten legal voters. To see what action the town will take regarding the placing of a competent auditor over the town accounts, also on any other matter for the welfare of the town or brought up by the budget committee and the financing of the same.

Article 16. To see if the town will vote to memorialize the naming of Raymond Walton Square and Walton

Street (known as Walton Road), also that the Rotary Circle be officially named Legion Circle, Seabrook, N. H. in honor of Raymond Walton, our soldier who died in action in France.

Article 17. To transact all other business that may legally come before said meeting.

Given under our hands and seal this Twenty-First day of February, 1939.

THOMAS F. OWEN,
WILLIAM H. SANBORN,
RALPH O. BRAGG,

To the Board of Selectmen, Town of Seabrook, N. H.

Dear Sirs:—I hereby submit my report for the period since I have assumed the duties of Chief of the Fire Department:

Total number of fires 11.

12-7-'38, New Zealand road; time: 9:30 o'clock p. m. Howard Felch dwelling house; cause, accidental.

12-10-'38, Collins road; time: 6:30 o'clock p. m.; Henry Kendrick pool room, garage; fire in partition; cause, overheated smoke pipe.

12-17-'38, Folly Mill road; 4:30 o'clock, p. m.; Edmund Buck dump fire; cause burning rubbish.

12-17-'38, Collins road; 11:30 p. m.; Eldred Chase automobile; cause, accidental.

12-27-'38, Railroad avenue; 7:40 o'clock, a. m.; Betsy Randall's; chimney fire.

1-4-'39, Lafayette road; 2 p. m.; Marie Daignault's; chimney fire.

1-18-'39, Rocks road; 8:45 o'clock, p. m.; Wendell Humes'; chimney fire.

1-21-'39, South Main street; 8:15 o'clock, p. m.; John Alexander's clothing store; cause unknown.

1-22-'39, Collins road; 6:20 o'clock p. m.; Samuel Bagley's; chimney fire.

1-30-'39, South Main street; 2 o'clock, p. m.; Rosalind Janvrin's; chimney fire.

1-30-'39, Seabrook Beach; 6 o'clock, p. m.; Joseph Dockham's; chimney fire.

Since my appointment as Fire Chief, I have installed a new "Booster" tank on fire truck, and made such repairs as finances permitted. This piece of apparatus is nine years old, and gives as good service as can be expected.

I hope the voters of the town will seriously consider the purchase of a new piece of much needed "Fire Apparatus" suitable to care for our needs.

In closing, I wish to thank the Board of Selectmen, members of the Fire Department and other citizens who have so willingly helped us in our work.

Respectfully submitted,

GEORGE A. WEARE,

Chief.

In case of fire, Call 1768.

Superintendent's Report

To the School Board of Seabrook:

I herewith submit to you my ninth report as superintendent of your schools.

The usual statistics are included in the report. They cover the school year from September 1, 1937 to June 30, 1938—the last complete school year. In accordance with the vote of your school meeting of several years ago, there is also a supplementary report of payments made from July 1, 1938 to January 30, 1939. By this arrangement the supplementary report is included in the regular report of the following year.

Figures given out by the State Board of Education state that the average per pupil cost in the state of New Hampshire for the elementary schools during the year 1937-1938 was $79.98. The same table gives the per pupil cost of the Seabrook schools as $49.58. This is, of course, $30.40 below the average. The state aid check of $5,897.53 is applied to the local schools and reduces the cost to the town by that much. Despite the fact that this is the lowest cost, with but one exception, in the state the people of Seabrook are paying their full share toward the education of their children.

The budget to be presented to the people in March will contain an item as special appropriation. This is caused by changes required in the main building at the South School as a result of the addition. The addition itself is completely taken care of. The fact that this was done by straight appropriation and not by borrowing saved the town interest on a loan but at the same time gave us heavy budgets for the time being. After this year our budgets should return to a lower figure. The addition was needed. We are now prepared for several years in advance.

Text books continue to be our great need. The average life of a text, as determined by statistics of all elementary schools is four and one-half years. This means that the equivalent of complete refurnishing of books must take place each four or five years. The average per pupil cost for books in New Hampshire is about $1.60. Seabrook pays far less. The complete order for books last year amounted to $228.62. Since the average enrollment was 301 the per pupil cost was about $.76.

You have in Seabrook an unusually fine staff of teachers. They are working conscientiously for the good of your children. The lower grade teachers are placing special emphasis on the subject of reading. While all children can not be taught to read well we believe that our reading average is high. Even the poorer readers are being taught to get the meaning of the sentences they read although comprehension may be at a slow rate.

The pupils have always found their first interest in the subject of arithmetic and allied mathematics. This may be due to natural ability along this line. The pupils as a whole do outstanding work in this subject. Your upper grade teachers do a particularly good job in these courses. I believe this accounts for the success of most of our pupils in the high schools to which they go. It is told me, on good authority, that five of our graduates are on the honor list of these schools at the present time. I hope the time will come soon when we may be able to put in the upper grades of the Seabrook schools a real course in business training. Such a course would not only have the interest of our pupils but would prove a real value in preparing them for the modern business world. I am recommending to the board that they consider the possibility of introducing this course.

The necessity of definite work in health has long been recognized, in theory, at least. Books are now available which emphasize this training. These books show the rules of diet, of exercise, of posture, of freedom from disease and of sanitation. Since these books may be used as readers, it seems that we should introduce them into our schools.

Health is one of the "seven cardinal principles of Education."

There never was a time when children, smaller or larger faced greater safety hazards than they do today. The age of machinery forces even the young child to meet the problem of safety before he has time to understand it. At the earliest ages it is important that the child be taught how to avoid dangers, dangers in the home, at play, at work and especially on the highway. The time has come when we especially, who live on or near the Lafayette Highway, must make safety teaching a regularly scheduled subject of the curriculum. Little "work-books" and primers are now being developed. We believe it possible to develop in even the primary child, habits of safety consciousness which will last throughout his life. I recommend that, as soon as available, texts in safety be adopted as regular readers in our schools. This work has been done informally by the teachers of the nation during the past few years. This is responsible, in great part for the fact that accidental deaths among children are decreasing in number. A regularly organized course would, we believe, produce greater results.

Mrs. Dorothy Lindsey, who has been our school nurse for seven years, has I am sure, the confidence of the school community. She has worked earnestly and faithfully. While the cost of her service is small, the results upon the present and future health of our children are great and important. Her report is enclosed. I bespeak its careful reading by all parents.

The standards of the work of the schools of Seabrook are being tested by the Metropolitan Achievement Tests. These tests are compiled by a committee of five of the leading educators from the major systems of the East. They form a mechanical basis for grading the work of our pupils and our schools. In certain cases the Otis Classification tests are also used. The latter help us determine the actual ability of the pupil in school subjects. These two, one supplementing the other, assist in guiding our children's progress through the grades of Seabrook.

A well organized Parent-Teacher Association, composed in membership of those most interested in the progress of their schools, is a valuable asset to any school system. I believe Seabrook has such an organization. It has held meetings regularly. It is formally organized. It has helped the schools by gifts of money. More than this, however, it forms a nucleus about which develop the spirit of progress and the desire for continual improvement in our children's welfare.

It seems to me that you, as a board, are progressive and forward-looking. Your desire for the best in our schools has always been a great help to the superintendents of this union. For this help I express my thanks. Without your help little of real advancement could be made.

Respectfully submitted,

ROY W. GILLMORE,
Superintendent of Schools.

Report of School Nurse

Following is Dr. Coleman's Report for the Year 1938

Number examined, 283—Not present, 25.
Underweight, 49—No. corrected, 25.
Defective vision, 3—No. corrected, 3.
Anaemia, 3.
Nervous condition, 5.
Cardiac disease, 2
Defective teeth, 39—No. corrected, 69.
Diseased tonsils, 62—No. corrected, 69.
Adenoids, 3—No. corrected, 69.
Enlarged glands, 13.
Number of contagious diseases
  Chicken pox, 9.
  Scarlet fever, 5.
  Measles, 13.
  Whooping cough, 14.
  Mumps, 3.
Number vaccinated, 175.
Unvaccinated, 133.

There is a large percent of children unvaccinated in Seabrook. This should be done to safeguard the health of the child.

Number of visits made to homes, 211.
Number of visits made to school, 223.
Number of interviews, 23.

Hot lunches have been served at the South, Academy and Sanborn schools.

Money for glasses was generously contributed for one pupil by the Parent Teacher Association. Four children had tonsils and adenoids removed through the Mothers' Aid Society.

A dental clinic was conducted by Dr. George Nice of Newburyport. Fifty-nine children had work completed. The children were transported to and from Newburyport by the school nurse. We hope to hold another clinic this school year. The teeth of the children show a marked improvement.

Special visits are made to schools if any contagious disease is present. This enables the nurse to examine the children for any symptoms.

Special visits to Newburyport for eye examination pupils, 1.

Special visits to Newburyport for dental work for pupils, 2.

In closing may I express my appreciation for the cooperation shown me by the School Board, Mr. Gillmore, the teachers and parents in my school work in the schools of Seabrook.

Respectfully submitted,

DOROTHY E. LINDSEY, R. N.
